

1 IN 5 PEOPLE IN OUR COMMUNITY CAN'T MEET THEIR BASIC NEEDS.

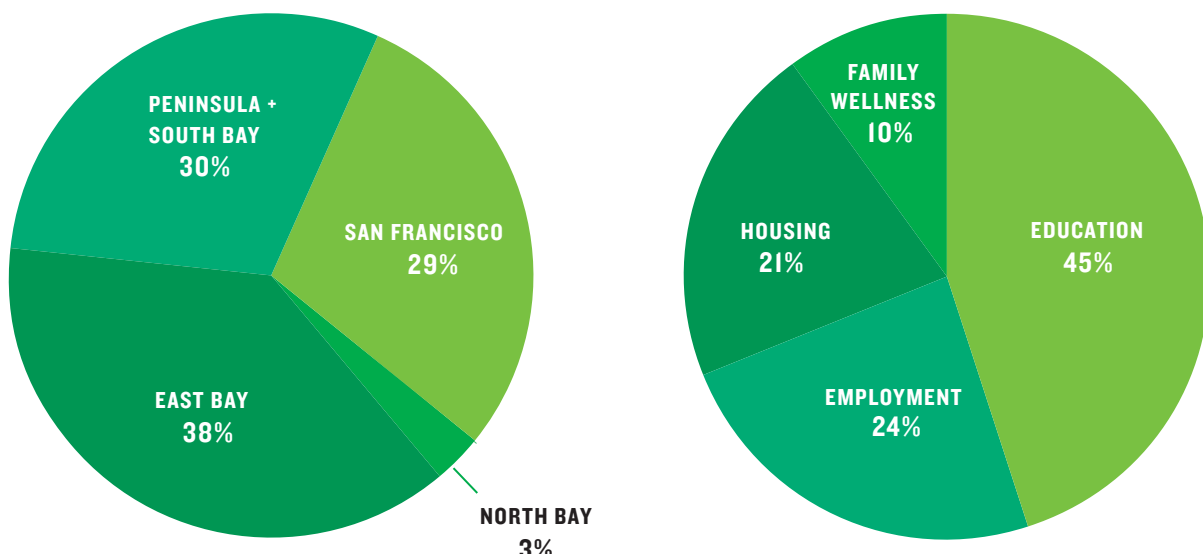

WHY TIPPING POINT?

- 
DUE DILIGENCE
 We do the homework for you. We find, fund and partner with the most promising groups fighting poverty in the Bay Area.
- 
100% IMPACT
 Our board covers our operating costs, so every penny of every dollar you give goes where it's needed most.
- 
BEYOND DOLLARS
 We connect grantees with best-in-class pro bono partners to provide services and expertise that many groups could not access on their own.
- 
UNRESTRICTED FUNDING
 Our grants are unrestricted and flexible—the most coveted type of capital in the non-profit sector.
- 
R+D
 We support the development of new poverty-fighting solutions by providing grantees with risk capital and tools to think big.
- 
POLICY
 We collaborate with the public sector to leverage our impact and create scalable change.

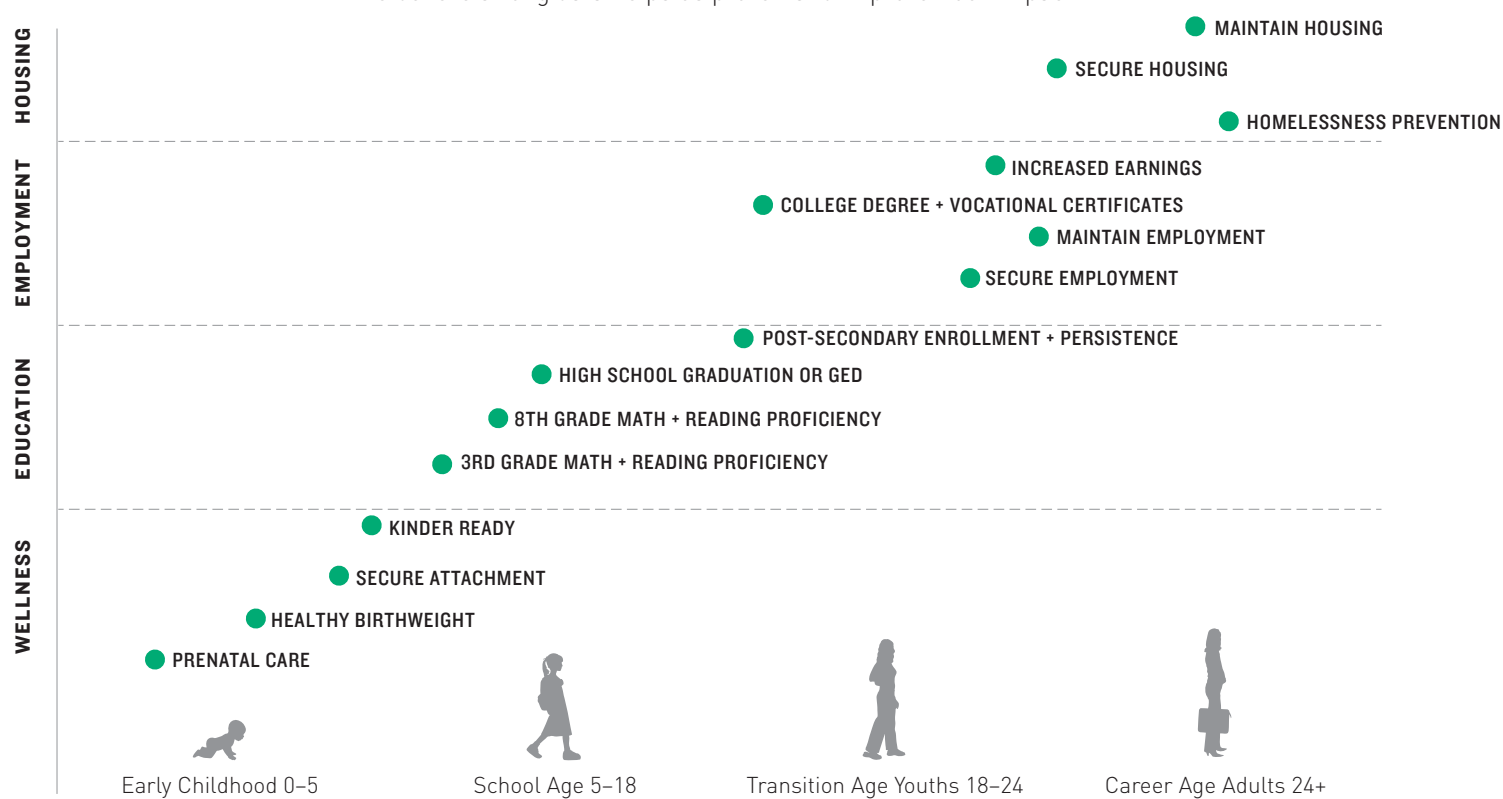

OUR PORTFOLIO COVERS FOUR ISSUE AREAS IN SIX COUNTIES.

We invest in organizations across the Bay Area, from start-ups to established groups, focused on the resources needed to achieve self-sufficiency.

DATA DRIVES US.

On the path out of poverty, there are key milestones every individual must meet. We've developed a set of core metrics to help grantees track these over time. We believe strong data helps us prove—and improve—our impact.

EVERY YEAR WE START AT ZERO.

Last year, nearly 1,500 supporters came together to give \$21.9 million to impact the lives of those in need across the Bay Area.

TIPPING POINT FIGHTS POVERTY IN THE BAY AREA.
